Log on to: <https://iarpp.ce-go.com/iarpp-conference-2026-may-7-may-10-2026>

Here you will find the **Agenda** and **Speaker** tabs along with the **Registration Link**. Use the **Agenda** tab to make a selection for every panel session A-F, the two Post Plenary Discussion Groups, and the Meet-the-Author session. You will need to make a selection for each panel session.

The screenshot shows the top navigation bar with links for HOME, AGENDA, SPEAKERS, VENUE, and CE INFO. The AGENDA link is highlighted with a red box. To the right is a REGISTER button with a right-pointing arrow, also highlighted with a red box. Below the navigation is the main heading "Agenda" in a large, bold font. Underneath is a search bar and two buttons: "Clear All Filters" and "Filter". The main content area is titled "Thursday May 7" and lists two sessions. The first session is "Pre-Conference Registration" from 07:45 AM to 08:30 AM EST. The second session is "PC1 - A: Pre-Conference A: How Can We See What We Don't See? Infant Research and Adult Treatment" from 08:30 AM to 11:30 AM EST, presented by Beatrice Beebe, PhD.

A-1: What is Absent and What is Present In The Emergence of Hatred - 95 spots remaining

Start Date: 05/07/2026 | **Start Time:** 12:00 pm | **End Time:** 01:30 pm

This panel explores emotions that are absent and feelings about oneself that are present when hatred flourishes. The two presenters will focus on how therapeutic aspects of the treatment relationship can be used to modify hatred either toward the analyst, other individuals, or groups. Since hatred can motivate violence, it is vital that we understand its roots. The negative self-experiences and sense of isolation that can underpin hatred are of particular significance, and will be explored in de...

A-2: PANEL CHANGE: Facing the Unimaginable: When You No Longer Recognize Your Country - 140 spots remaining

Start Date: 05/07/2026 | **Start Time:** 12:00 pm | **End Time:** 01:30 pm

We propose a relational metapsychology in which hatred is first an embodied, intersubjective event that oscillates along two overlapping pathways: conversion (a symbolically organized bodily sign) and psychosomatic embodiment (affect bound to the body when symbolization fails). Following Mitchell, love and hate function as mutually translating languages within the intersubjective field; the body is their primary stage and earliest site where hatred can be converted into love (and love into hate...
